### Montreal, Bibliotheque de\*\*

Note the decrease in the number of service points and the transfer of Central Library to National Library of Quebec. The data of Central Library are not used. Some cities demerged from the City of Montreal in the beginning of 2006, decreasing the number of branches from 55 (in 2005) to 44 (in 2006). Visit the new website of the Bibliotheque de Montreal at <http://ville.montreal.qc.ca/biblio> for a full explanation.

### Montreal, Bibliotheque de\*\*

Note the decrease in the number of service points and the transfer of Central Library to National Library of Quebec. The data of Central Library are not used. Some cities demerged from the City of Montreal in the beginning of 2006, decreasing the number of branches from 55 (in 2005) to 44 (in 2006). Visit the new website of the Bibliotheque de Montreal at <http://ville.montreal.qc.ca/biblio> for a full explanation.

### Montreal, Bibliotheque de\*\*

Note the decrease in the number of service points and the transfer of Central Library to National Library of Quebec. The data of Central Library are not used. Some cities demerged from the City of Montreal in the beginning of 2006, decreasing the number of branches from 55 (in 2005) to 44 (in 2006). Visit the new website of the Bibliotheque de Montreal at <http://ville.montreal.qc.ca/biblio> for a full explanation.

### Montreal, Bibliotheque de\*\*

Note the decrease in the number of service points and the transfer of Central Library to National Library of Quebec. The data of Central Library are not used. Some cities demerged from the City of Montreal in the beginning of 2006, decreasing the number of branches from 55 (in 2005) to 44 (in 2006). Visit the new website of the Bibliotheque de Montreal at <http://ville.montreal.qc.ca/biblio> for a full explanation.
